COVID-19 Essential Employee Authorization Letter

The United States, individual states and other government organizations have advised against or are attempting to restrict travel to and from various areas within the United States due to COVID-19 precautions. In addition, the CDC has also issued domestic travel advisories for non-essential domestic travel for a variety of different periods of time.

This letter is to provide affirmation that the employee carrying it is a public health professional and should not be subject to any such restrictions and should be allowed to travel freely within the United States and its territories as a member of professions considered critical infrastructure, as defined by the Department of Homeland Security (<https://www.cisa.gov/publication/guidance-essential-critical-infrastructure-workforce>).

The bearer of this letter is an employee or contractor of Perfusion.com, Inc. who is responsible for a critical function in cardiac surgery and/or Extracorporeal Membrane Oxygenation (ECMO) for Perfusion.com, Inc. based in Fort Myers, FL (17080 Safety St, Suite 109 Fort Myers, FL 33908). Perfusion.com, Inc. is one of the largest providers of contract perfusion services in the United States and employees approximately 150 health care professionals who are essential in supporting urgent/emergent cardiac surgery and care for COVID-19 patients. Perfusion.com, Inc. is certified by the Joint Commission as Healthcare Staffing Organization.

We appreciate your support in allowing our colleagues to travel during the curfew/stay at home order as we continue to provide essential health care for public health assistance in the community.

If there are any questions, please feel free to contact our main office at 888-499-5672.

Sincerely,

Bryan V. Lich, CCP, LP
